.....5. IN A SUBSEQUENT CONVERSATION IN KOHAT WITH A LEADER OF THE
JAMIAT-UL-ULEMA-E-ISLAM (JUI), SUBJECT OF REFUGEE RATIONS
AGAIN CAME UP. OUR JUI INTERLOCUTOR, WHO IS ALSO A CLOTH MERCHANT,
NOTED THAT THE RATIONS THE REFUGEES ARE RECEIVING ARE NOT IN
KEEPING WITH THEIR DESIRES. IN ADDITION TO A DESIRE FOR GHEE
RATHER THAN VEGOIL, HE POINTED OUT THAT MOST AFGHANS DRINK
GREEN TEA WITHOUT MILK AND THEREFORE HAVE NO NEED OF MILK
RATIONS AND DO NOT LIKE THE BLACK TEA THEY CURRENTLY RECEIVE.
HE ALSO CLAIMED THEY PREFER THEIR OWN CLOTH TO HIGHER QUALITY
CLOTH DONATED TO THEM. AS A RESULT, HE SAID THAT THE REFUGEES
SELL OFF THE COMMODITIES THEY DO NOT WANT AT PRICES BELOW
WHAT PAKISTANI MERCHANTS CAN OBTAIN, THEREBY CAUSING RESENTMENT
AMONGST LOCAL BAZAARIS.

.....6. COMMENT: THE VIEWS OF THE REFUGEE ELDERS AT MOHAMMAD
KHOJA MAY OR MAY NOT BE REPRESENTATIVE OF VIEWS HELD IN THE
REFUGEE POPULATION AS A WHOLE, BUT SOME OF THE (PREFERENCE
FOR GHEE OVER VEGOIL) WE HAVE HEARD BEFORE. EMBOFFS ON FUTURE
VISITTS TO REFUGEE CAMPS MAY WISH TO PURSUE SOME OF THESE
QUESTIONS FURTHER. U
